KARL SCHNELL - PADDLE MIXER 1500 LITERS

QUOTATION NO: Q20261117-863
DATE: 17.11.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- The Karl Schnell Paddle Mixer with a capacity of 1500 liters is a high-performance industrial meat processing machine designed for large-scale production facilities. Built for efficiency, reliability, and consistent mixing results, this powerful unit ensures uniform blending of meat, spices, and other ingredients.
- With overall dimensions of 260 x 215 x 230 cm, it is engineered for heavy-duty industrial use while maintaining operational stability and safety. The machine is constructed entirely from stainless steel, guaranteeing maximum durability, corrosion resistance, and compliance with strict hygiene standards required in the food industry.
- Its robust paddle mixing system enables thorough and homogeneous mixing while preserving product texture and quality. The design allows easy cleaning and maintenance, making it suitable for continuous professional use in meat processing plants.
- Key Features:
- Brand: Karl Schnell
- Capacity: 1500 liters
- Heavy-duty industrial paddle mixing system
- Fully constructed from stainless steel
- Designed for large-scale meat processing
- Dimensions: 260 x 215 x 230 cm
