ITAL FORM - MEAT MINCER GRINDER SSDRC114ST

QUOTATION NO: Q20261002-928

DATE: 02.10.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- The SSDRC114ST is a professional industrial meat grinder designed for butcher shops, meat processing facilities, and food production environments. It is equipped with the Unger D114 grinding system, ensuring efficient and consistent meat grinding performance.
- Powered by a 3 kW motor, the machine provides reliable operation and stable performance during continuous processing. The stainless steel construction ensures durability, corrosion resistance, and easy cleaning in hygienic production conditions.
- The grinder is designed with easily removable processing components for quick maintenance and cleaning, while the safety cover ensures secure operation during use.
- Model: SSDRC114ST
- Type: Industrial meat grinder
- Construction: Stainless steel
- Grinding system: Unger D114 (delivered with 5 mm plate)
- Motor power: 4 HP / 3 kW
- Voltage: 3 / 380 V
- Theoretical output: 900 kg/h
- Dimensions in mm:
- Length: 855
- Width: 815
- Height: 710
- Weight: 86 kg
- Features:
- External processing parts with quick and easy disassembly
- Safety cover
- Delivered with knives
