MEAT CHOP CUTTER SSICONEE650

QUOTATION NO: Q20261115-937
DATE: 15.11.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- SSICONEE650 is a professional meat chop cutter designed for butcher shops, meat processing facilities and the preparation of fresh meat products. The machine is suitable for cutting meat into chops and portions with precise thickness control.
- The machine is entirely made of stainless steel (INOX 18-10), ensuring high hygiene standards, durability and easy maintenance. The compact design allows installation even in smaller production areas while maintaining reliable industrial performance.
- SSICONEE650 is equipped with an electric feed system and adjustable slicing thickness. The cutting thickness can be adjusted during operation, allowing precise portioning according to production needs. The machine is designed for easy cleaning and reliable operation in demanding professional environments.
- Technical specifications:
- Model: SSICONEE650
- Power supply: 400 V, 50 Hz (three phase)
- Motor power: approx. 2 HP + 0.75 HP
- Cutting speed: approx. 160 cuts/min
- Cutting thickness: adjustable from 0 to 40 mm
- Loading magazine: approx. 175 x 200 x 670 mm
- Weight: approx. 120 kg
- Features:
- fully stainless steel construction (INOX 18-10)
- compact industrial design
- electric feed system
- adjustable cutting thickness
- step by step feed system
- automatic return carriage
- easy cleaning and maintenance
- suitable for butcher shops and meat processing
- complies with CE standards
