DATE: 15.11.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- Professional vacuum tumbler with 600 liter capacity by Sind is designed for marinating, tenderizing and uniform mixing of meat in meat processing plants, production facilities, restaurants and professional kitchens. The vacuum system improves marinade absorption, speeds up processing and enhances texture, flavor and final product quality.
- The machine is made of high-quality stainless steel, ensuring long service life, high hygiene standards and resistance to intensive professional use. Variable speed control and stable performance allow adaptation to different products and processing requirements.
- Technical specifications:
- Machine type: Vacuum tumbler
- Manufacturer: Sind
- Capacity: 1000 liters
- Material: Stainless steel
- Application: Marinating, mixing and tenderizing meat
- Working system: Vacuum
- Speed control: Yes
- Use: Meat industry, meat processing, restaurants, professional kitchens
- Operation: Stable, efficient and reliable
- Maintenance: Easy and simple
