ITAL FORM - MEAT MIXER SN50J

QUOTATION NO: Q20260827-955

DATE: 27.08.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- Professional meat mixer model SN50J is designed for fast and uniform mixing of meat, spices and other ingredients in butcher shops, restaurants, processing plants and professional kitchens. This model is an ideal solution for users who require high capacity, reliable operation and premium mixing quality in daily professional use.
- The powerful 2200 W motor ensures efficient operation and stable performance even under heavier workloads. The working speed of 25 rpm provides even mixing and optimal preparation of products such as minced meat, sausages, cevap mixtures, burger mixes and other meat products.
- The construction is made of high-quality stainless steel, ensuring long service life, corrosion resistance, high hygiene standards and easy maintenance. Its robust design and stable structure make this model an excellent choice for daily professional work.
- Larger external dimensions provide additional working capacity and easy handling in production facilities and professional environments.
- Technical specifications:
 - Machine type: Meat mixer
 - Model: SN50J
 - Power: 2200 W
 - Speed: 25 rpm
 - Voltage: 380 V / 50 Hz
 - Dimensions: 890 x 650 x 920 mm
 - Weight: 108 kg
 - Material: Stainless steel
 - Application: Mixing meat, spices and meat mixtures
 - Use: Butcher shops, restaurants, meat processing, professional kitchens
 - Operation: Stable, efficient and reliable
 - Maintenance: Easy and simple
