POLY CLIP - PDC CLIPPING MACHINE

QUOTATION NO: Q20261002-974

DATE: 02.10.2026

PRODUCT DESCRIPTION

Specifications and product characteristics:

- Poly clip PDC is a professional clipping machine designed for closing and portioning sausages, salamis, and other products in natural, collagen, fibrous, and plastic casings. The machine provides accurate and reliable clipping performance while ensuring consistent product quality and efficient production.
- Its compact design and user-friendly operation make it an ideal solution for small and medium-sized food processing facilities. The PDC is suitable for producing single portions, sausage chains, rings, and various other product formats with stable and dependable operation.
- Built from durable industrial-grade materials, the machine is designed for long service life and easy maintenance. With support for casing diameters up to 90 mm and compatibility with multiple clip sizes, it offers excellent flexibility for a wide range of production requirements.
- Technical Specifications
- Manufacturer: Poly clip
- Model: PDC
- Machine Type: Clipping Machine
- Casing Diameter: Up to 90 mm
- Compatible Clips: S625 / S628 / S632 / S638
- Power: 0.1 kW
- Fuse: 2.5 A
- Frequency: 50-60 Hz
- Dimensions: 1100 × 1000 × 2000 mm
- Weight: 130 kg
