PRODUCT DESCRIPTION

Specifications and product characteristics:

- The Ital Form SV-300T table top chamber vacuum packing machine offers a compact, heavy-duty solution for commercial food preservation and portion control. Powered by an 8 m³/h vacuum pump with a 0.3 kW motor, this unit ensures rapid cycle times and dependable, deep vacuum levels. The 260 mm sealing bar creates an 8 mm wide, airtight seal to safeguard food quality, extend shelf life, and prevent oxidation or freezer burn.
- Featuring an internal chamber size of 340 x 390 x 130 mm, the SV-300T comfortably handles smaller to medium cuts of meat, cheeses, liquids, pre-cooked dishes, and ingredients for sous-vide cooking. Its solid 35.3 kg footprint guarantees operational stability, while the space-saving table top design fits effortlessly into compact kitchen workflows across restaurants, delis, butcher shops, and catering facilities.
